The screenshot shows the IBM Cloud IAM 'Account users' page. The left sidebar contains navigation links: IAM, Manage identities, Users (selected), Trusted profiles, Service IDs, API keys, Identity providers, Manage access, Access groups, and Authorizations. The main content area has a 'View: Account users' dropdown. Below this is a table with columns 'User', 'Email', and 'Status'. The table lists four users: M Sornam (Sornam0303@gmail.com), Nagammal S (951219106043@smartinternz.com), Narmatha T (951219106044@smartinternz.com, with 'owner' and 'self' roles), and Nasima M (951219106045@smartinternz.com). All users are 'Active'. A search bar and an 'Invite users' button are located above the table. The bottom of the screen shows a Windows taskbar with the time 17:38 and date 11-11-2022.
